**PETITION TO MAKE SPECIAL BECAUSE OF ENVIRONMENTAL QUALITY**  
(37 C.F.R. section 1.102(c) and M.P.E.P. section 708.02 IV)

Applicant hereby petitions to make this application special because it is for an invention that materially enhances the quality of the environment of mankind, by contributing to the restoration or maintenance of the basic life-sustaining material elements (air, water, and/or soil).

The accompanying declaration by the applicant's practitioner explains how this invention contributes to the restoration or maintenance of one of these life-sustaining elements.

No fee is required with this petition, in accordance with 37 C.F.R. section 1.102(c).

**DECLARATION BY APPLICANT'S PRACTITIONER**

The undersigned practitioner, in support of the Petition to Make Special Because of Environmental Quality filed herewith, declares that the above-referenced application is for a new chemical species for gases and their technologies which has been used as a fuel that not only reduces air pollution but, in fact, cleans polluted air.

Wherefore, the undersigned practitioner declares that the above information is truthful and accurate to the best of his knowledge regarding the subject application.

In addition, Applicant has informed the undersigned that he is 66 years of age.

I further hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, or of any patent issuing therefrom.
